

## NEW SCHEDULE FOR RIFLE RANGE BOAT

Gratitude to Make Winthrop Run  
and Return by 6:30 o'clock  
in Evening.

A new schedule for steamer transportation between this city and the Winthrop rifle range will go into effect within the next few days.

By this arrangement, a direct trip to and from the range, returning by 6:30 o'clock in the evening, will be made possible.

The steamer Gratitude, the new boat assigned to the run, will continue in service, and the fare, round trip, will be 40 cents, except on Saturdays, when a special rate of 25 cents will be in force.

Major Fred H. Phillips, Jr., secretary of the National Rifle Association, today announced an indoor match for interclub teams.

The match will be shot during the next four weeks at the Pull gallery, the Fifteenth street gallery under the theater, being reserved for individual practice.

Teams of four men each from different local clubs may be entered at a fee of \$1 for each team, a club being permitted to send as many teams as desired. Only one man who has shot on any match team during the season 1915-16, however, will be permitted on any one of the contesting teams.

The trophy will be a cup which will remain the property of the winning team.

The match will run through three stages. It will consist of three standing, and ten prone shots, slow fire, and ten shots kneeling from standing, time fire.

The first stage is to be shot the week ending July 1, the second during the week ending July 8 and the final stage, the week ending July 15.

**Generous Response Here  
To Appeal for Hatters**

Although the American Federation of Labor was informed today that organized labor in the District made a generous response yesterday to the appeal for financial assistance for the Danbury hatters, it was said this afternoon that the exact amount raised here would not be known until Saturday night or Monday.

On January 23 most of the laboring men in Washington contributed the proceeds of an hour's work for the relief of the hatters. Another donation day was designated so as to allow others to contribute to the cause.

Another feature of the program was a beautiful ensemble in two piano numbers, Etude, 3 flat Major (Chopin), played by the Misses Coffin and C. Finckel, and Moszkowski's "The Jugglers," played by Miss F. Finckel and Mme. Von Unschuld.
